

WESTSIDE

CHANGE
YOUR
WORLD

2023 - 2024

WHAT IS "CHANGE YOUR WORLD?"

CYW PURPOSE

Our 2-year *Change Your World* initiative is all about strengthening our individual and collective impact by inviting every Westsider to activate their **time**, **talents**, and **treasure** on mission for Jesus.

2023 PROGRESS

- We've expanded our **Celebrate Recovery** program, moving this outreach into our Auditorium on Thursday nights and providing additional space for breakout groups.
- We've begun our **Young Adult Ministry**, reaching 18-29 year-olds and forming a community they can belong to and grow within.
- We've made important **tech and infrastructure upgrades** to insure a consistent experience for those we're reaching online and in-person.
- **Our ministry has grown**, requiring the addition of our new 8:30am service! In addition, our Growth Groups and Volunteer Teams have grown and we're seeing more and more people connect each month.

2024 PLANS

- **Build up our kids', student and adult ministries** by increasing our ministry budgets and reaching more people.
- **Secure space for Food Brigade** to help feed those in need, and provide much needed space for Westside's programs.
- Continue to **expand our outreach** through community projects, ministry partnerships and starting new churches.
- **Help more people take their next steps** with improved resources, training, staffing and community.

COMMITMENT SUNDAY - NOV 5, 2023

It's an exciting moment in the life of our church. Join us as we come together to seek God's best for 2024.

Step One: Pray about your part in our ministry, including your time, talent and treasure.

Step Two: Plan together as a household to make 2024 the most impactful year of ministry yet.

Step Three: Commit to follow through on what God has led you to invest your time, talent and treasure.

Step Four: Begin as soon as you can, knowing that your advance gifts and service will help us bridge the gap and start 2024 strong.
